

The Faculty of Natural Sciences at Ben-Gurion University of the Negev in Israel is honored to announce The First Call for The Excellence Fellowship Program for Outstanding Postdoctoral Researchers from Latin America.

The Faculty of Natural Sciences at Ben-Gurion University of the Negev will support outstanding post-Doctoral researchers (based on scientific excellence), for a period of up to two years. The Fellowship will cover 120,000 NIS (~\$35,000) per year (for the program's specific details please see the [online brochure](#)).

Candidates who are interested in participating in the program are required to register for an online info session that will be held on November 2nd, 2022, at 8 pm (Israel time). The purpose of this session is to introduce our researchers and their research programs to the prospective fellowship candidates. After the general info session, individual zoom meetings may be arranged with the corresponding interested parties. To register for the info session please follow this [link](#).

In order to apply for this program, you must first contact a potential supervisor researcher, receive their approval for your application, and then submit the following documents to Meital Bar-Yossef at, meitalby@bgu.ac.il :

- C.V.
- Two letters of recommendation.
- Approval of BGU Supervisor.
- A short research summary describing the proposed research during the fellowship period.

All documents should be submitted by December 1st, 2022.

The Faculty of Natural Sciences will announce the chosen recipients of the Fellowship on December 29th, 2022.
